Chapter 8:　Refrain of Despair

HEY!
WHY IS YOUR ROOM ALWAYS SUCH A DISASTER?
HONESTLY...
I'VE GOT A SYSTEM GOIN' HERE
EVERYTHING IS *RIGHT* WHERE I CAN REACH IT.
UH-HUH.
OH, THAT'S RIGHT...

I GUESS..
I GUESS THERE'S JUST NO USE IN YOU READING IT.
NOT AT ALL.
!!
GLP
IT WAS...
VERY INTERESTING.
FOR EXAMPLE ...

THE HUMAN PSYCHE IS OPEN ...
TO THE POSSIBILITIES OF BOTH GOOD AND EVIL
IN MY OPINION, MULTIPLE PERSONALITY DISORDER OCCURS WHEN ONE OF THESE POSSIBILITIES...
SUPPRESSED BY SOCIETAL PRESSURES DECLARES INDEPENDENCE AND BEGINS TO FIGHT TO EXIST
YET REGARDLESS OF HOW DISEASED THE RESULT ...
OR HOW DESTRUCTIVE IT IS TO THE HOST AND THOSE AROUND IT...

...DID I COME WITH HIM?
EH...?
OR WAS THAT JUST MY IMAGI-NATION?
YOU LOOKED AWFULLY DOWNCAST.
IN THE HOSPITAL

N-NO...
IT'S NOTHING, REALLY.
I MEAN... IT'S NOT LIKE I FELT LIKE THAT ABOUT HIM AT FIRST.
HIM?
N-NEVER MIND.
I UNDER-STAND...
THIS CAN BE HARD TO TALK ABOUT.
BUT...
I'VE BEEN ALIVE A *LITTLE* LONGER THAN YOU...
AND I HAVE SOME *RELATED* EXPERIENCES.
FOR EXAMPLE ...

ONCE UPON A TIME...
THAT'S.. NOT GOOD.
WHY?
WELL...
LIKE I SAID...
NOMURA ASKED ME TO FIND OUT HOW YOU FELT
SO IF I GO OUT WITH YOU, THEN--

NOMURA FROM CLASS FOUR?
YEAH. HIM.
WELL...
THAT SUCKS.
SORRY...
I'M JUST NOT INTO HIM.
I...
ONLY CAME BECAUSE YOU ASKED ME, KANO-KUN.
AND FRANKLY, I'M A LITTLE DISAP-POINTED.

SO WHAT HAPPENED?
I WENT OUT WITH HER.
YOU DID? BUT THEN...
YEAH...
HE WAS FURIOUS.

BEFORE YOU WORK UP THE NERVE, SHE'S ALREADY GOING OUT WITH SOMEONE ELSE.
IT WAS JUST BAD LUCK, IS ALL.
AND AT THE TIME, I WAS TRYING IT OUT ON A BUNCH OF PEOPLE.
SO, I JUST WANTED TO KNOW ...
?
HOW...
WOULD HE BREAK?

OH, HE BROKE MASTERFULLY.
HELD THE GIRL HOSTAGE IN THE SCIENCE LAB...

AND TOOK OUT ALL THE TEACHERS AND VARIOUS ONLOOKERS WITH HIM.

AND THEN ..
THERE WAS A LOUD EXPLOSION AND .
THEY'RE FINE. EVERYONE'S RECOVERING.
OH MY GOD...!
WHAT ABOUT THE OTHERS?!
GRRR

BUT YOU JUST SAID THEY...
GOOD?
GOOD.
OH...
WELL, THAT'S SO LIKE YOU.

DO YOU HAVE...
SOME-THING TO TELL ME?
SENSEI...

UM...
THAT'S ALL A LITTLE TOO SURREAL FOR ME.

BUT THAT'S---

The Embryo Saga

Split in a similar manner as the *VS Imaginator* Saga the *Embryo* novels are named after a mysterious virus that infects a portable game console, where anyone exposed to Embryo soon develops mysterious abilities and powers.

Honami Hiroshi's console was infected by Embryo after the owner decided against passing it to Pearls Diamonds—an organization that rivals the Towa Organization and works to undermine it. While Hiroshi doesn't develop abilities both his sister Akiko (who plays host to the Imaginator later in the series) and her would-be boyfriend, Takashiro Tohru develop strange gifts.

The novels also introduce the character of Fortissimo—believed by many to be the Towa Organization's most powerful composite human because of his ability to separate atoms and cause people to disintegrate—who has been charged to destroy Embryo at all costs. Fortissimo crosses paths with the Tohru—whose power allows him to see lines representing danger—and gives him the name "Inazuma" after the Japanese god of thunder.

The book climaxes with a fight between the two in a shopping mall rigged with explosives and the timely intervention of Boogiepop, who transfers Embryo into a large metal cross, which reappears later in the *Beat's Discipline* series.

The Art of Kouji Ogata

From portraits of a solemn Boogiepop to an eerie image of a naked young girl with a single rose growing out of her chest, *The Art of Kouji Ogata: Boogiepop and Others* is the must-have import for fans of all things Ogata. Divided into two sections with the first half covering the initial nine *Boogiepop* novels and the second focusing on Kouji Ogata's other various works such as *Doll* and *Wizardry*, the deluxe hardcover artbook compiles a large multitude of original painted art pieces and black and white illustrations that Ogata has been commissioned to create over the years. In addition to plenty of character illustrations and pencil sketches the book also includes images used to illustrate the various *Boogiepop* soundtracks and other assorted goodies.

BOOGIEPOP
The Ultimate Guide PART 4

Welcome to the final installment of *Boogiepop: The Ultimate Guide* where we will take a look at the remaining novels and assorted side-stories in the *Boogiepop* Universe, as well as ponder the future of the franchise.

by Lesley Smith

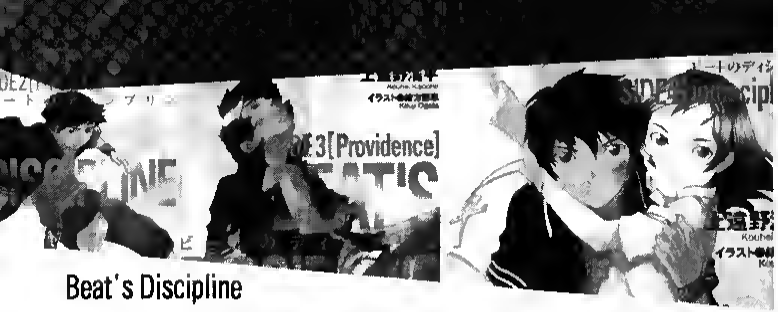
Boogiepop Missing

1999 was a busy year for MediaWorks and Kouhei Kadono. *Boogiepop Missing* was the seventh installment in the series and the third *Boogiepop* novel to be released that year focusing on the rise and fall of an evolved human named Kigawa Tosuke.

Although in hiding, Kigawa soon gains the attention of none other than Teratsuki Kyouchiro—the Towa mogul from *Boogiepop Overdrive* who helped to fund the organization's various operations. After trying Kigawa's peppermint ice cream, Teratsuki helps him to start up a chain of ice cream shops called The Peppermint Wizard. Yet The Peppermint Wizard is not just a simple ice cream parlor: it is one of various plans created by the disillusioned Teratsuki shortly before his death.

As well as the shop itself, Kigawa's ice cream is also far from ordinary and its ability to take away people's pain soon leads to his meteoric rise in local society. But soon, his unrivaled popularity becomes too much for the Towa Organization to ignore.

While primarily about the events of Kigawa's rise and fall *Boogiepop Missing* has cameos by several familiar faces and it introduces several new characters such as Furukita an actress and idol who has been assigned by Towa to watch Kigawa's ice cream van, and Kusunoki Rei, a book and teacher at the school where Orihata Aya (of the *VS Imaginator* novels) is a student.



Beat's Discipline

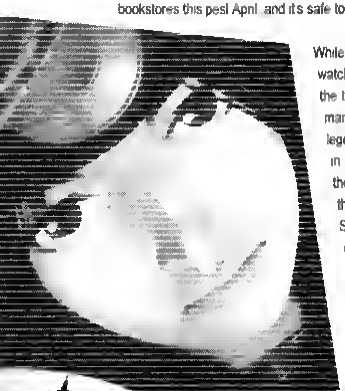
The *Boogiepop* universe is also home to a special four-volume side-story series called *Beat's Discipline* which pulls its name from its central character—a Towa agent named Pete Beat. For many, this series acts as an excellent crossover for fans as the four volumes have managed to feature almost every character seen in Kadono's other *Boogiepop* novels. In fact, the first volume alone has an impressive list of cameos, including Fortissimo, Mo Murder, Asukai Jin, "Rains no More" and the Peppermint Wizard.

Like many of the Towa Organization's agents, Pete Beat is also a composite human, and his unique gift is the ability to sense the body's beats. This allows him to overrride his own and move at super-human speeds, or by manipulating the beats in others, to freeze people on the spot. Despite specializing in surveillance, Pete is assigned a mission by Fortissimo to retrieve an item code-named "Carmen."

This assignment leads to him to a high school where he comes across a psychic girl that he can't read. Ultimately, this encounter causes him to become disenchanted with the Towa Organization, which means only one thing... they want him dead.

The Future

As you can undoubtedly guess, the *Boogiepop* series is far from over. In fact, Kouhei Kadono is still writing novels about Shinyo Academy's resident *shinigami*. The latest novel, *Boogiepop Intolerance: The Ark of Orpheus*, hit Japanese bookstores this past April, and it's safe to say that this book—the fourteenth in the series—will not be the last.



While fans in North America have been able to watch the *Boogiepop Phantom* anime series and the live action *Boogiepop and Others* movie, 2006 marks the first time that any of Kouhei Kadono's legendary novels or manga have been available in English. This means that fans will now have the opportunity to get to know Boogiepop, the Fire Witch, and all the other residents of Shinyo Academy in the way that they were originally envisioned—as novels.

BOOGIEPOP
The Ultimate Guide PART 4

Boogiepop Paradox

Boogiepop Paradox is actually a prequel set two years prior to *Boogiepop and Others*, but it also ties in with events which take place in both *Boogiepop Returns. VS Imaginator Part 1* and *Part 2*. Kinma Nagi has returned to Junior High after her spell in the hospital and has begun investigating a string of strange incidents involving comas. The school has been infiltrated by the Towa Organization's agent Kurenai Akemi, better known as "Rains on Friday" and in *Beat's Discipline*, as "Rains no More."

Mixing supernatural abilities with zombies, *Boogiepop Paradox* also introduces Akemi's boyfriend, Uchimura Morito, who possesses an ability he names "Fail Safe." This ability allows him to avoid death by shielding himself with the deaths of others, such as Towa agent Mrs. Robinson. As a result, his unfortunate victims become mind-controlled zombies.

In a tie-in with the earlier *Boogiepop* novels, it transpires that Morito's abilities were given to him by the Imaginator. Akemi attempts to kill him, and events peak in a Towa Organization building used to train agents that is filled with deadly synthetic trees that fire a deadly sap at trespassers. In the end, Boogiepop returns to put an end to him, and in turn sets in motion the events that readers experience in the *VS Imaginator* novels.

Holy & Ghost, Jinx Shop, and Lost Möbius

This trio of books are often mistakenly labeled as side-stories, but they are actually direct continuations of the saga. Best labeled as a crime-caper, *Holy & Ghost: Boogiepop Unbalance* sees the introduction of an animated weasel known as "Slim Shape," as well as a pair of delinquent teenagers who get mixed up in his plan to steal a weapon—code-named "Rock Bottom"—that was hidden by Teratsuki Kyouichiro.

On the other hand, *Welcome to Jinx Shop. Boogiepop Staccato* returns to an exploration of the Towa Organization and its agenda to secretly take over the world. It also introduces Towa's mysterious leader, code-named "Oxygen," and sheds some light on the mystery surrounding how the organization actually works.

Boogiepop Bounding: Lost Mobius, published in April 2005, sees the return of Onhata Aya, following a boy consumed with exacting revenge on Boogiepop. His intense hatred of Shinyo Academy's elusive shinigami is slowly eating him up, eventually leaving behind only a shelled husk. It is because of this that the pair become lost in a strange world called "Kiba no Ato," where they are soon joined by a mysterious child named Brick. The novel also features a special crossover with Kadono's *Night Watch* series.

JAPANESE HONORIFICS GUIDE

To ensure that all character relationships appear as they were originally intended, all character names have been kept in their original Japanese name order with family name first and given name second. For copyright reasons, creator names appear in standard English name order.

In addition to preserving the original Japanese name order, Seven Seas is committed to ensuring that honorifics—polite speech that indicates a person's status or relationship towards another individual—are retained within this book. Politeness is an integral facet of Japanese culture and we believe that maintaining honorifics in our translations helps bring out the same character nuances as seen in the original work.

The following are some of the more common honorifics you may come across while reading this and other books.

-san – The most common of all honorifics, it is an all-purpose suffix that can be used in any situation where politeness is expected. Generally seen as the equivalent to Mr., Miss, Ms., Mrs., etc.

-sama – This suffix is one level higher than "-san" and is used to confer great respect upon an individual.

-dono – Stemming from the word "tono," meaning "lord," "-dono" signifies an even higher level than "-sama," and confers the utmost respect.

-kun – This suffix is commonly used at the end of boys' names to express either familiarity or endearment. It can also be used when addressing someone younger than oneself or of a lower status.

-chan – Another common honorific. This suffix is mainly used to express endearment towards girls, but can also be used when referring to little boys or even pets. Couples are also known to use the term amongst each other to convey a sense of cuteness and intimacy.

Sempai – This title is used towards one's senior or "superior" in a particular group or organization. "Sempai" is most often used in a school setting, where underclassmen refer to upperclassmen as "sempai," though it is also commonly said by employees when addressing fellow employees who hold seniority in the workplace.

Kouhai – This is the exact opposite of "sempai," and is used to refer to underclassmen in school, junior employees at the workplace, etc.

Sensei – Literally meaning "one who has come before," this title is used for teachers, doctors, or masters of any profession or art.

About the Creator

Born in 1968, Kouhei Kadono grew up uncertain about his direction in life. He spent a considerable portion of his early years frittering away his youth before somehow ending up writing novels.

In 1997, Kadono-sensei's first *Boogiepop* novel, *Boogiepop and Others*, took First Place in the Media Works Dengeki Game Novel Contest. Early the following year, the novel was released to widespread acclaim and ignited the Japanese "light novel" (young adult) trend. Since that time, Kadono-sensei has written thirteen *Boogiepop* novels and several related works, such as the *Beat's Discipline* short story collections and the two *Boogiepop* manga series entitled *Boogiepop Doesn't Laugh* and *Boogiepop Dual*. In its entirety, the *Boogiepop* series has seen over two million copies in print and spawned a live action movie and a hit anime series.

In addition to the *Boogiepop* universe, Kadono-sensei's body of literary work includes a wide array of fantasy and mystery novels such as the *Jiken*, *Soul Drop*, *Limited World* and *Night Watch* series.
